

PRODUCT BULLETIN

▪ THROTTLE BODY AND CARBY CLEANER

Nulon Throttle Body and Carby Cleaner is specifically formulated to quickly and easily remove gum, sludge, varnish, grease and dirt build-up from carburettors, throttle bodies, automatic chokes, PCV and EGR valves.

Benefits:

- Dissolves carburettor deposits inside & out
- Dissolves throttle body deposits in fuel injection systems
- Cleans PCV and EGR valves
- Cleans automatic chokes
- Ensures smoother, trouble-free performance
- Reduces poor exhaust emissions
- Professional strength

Directions:

The aerosol can in which Nulon Throttle Body and Carby Cleaner is supplied provides full and accurate directions on how to use the product in all of the following applications:

1) Vehicles with Carburettors

- Carby exterior and linkages
- Carby throttle and combustion chamber deposits
- Automatic choke
- PCV valve

2) Vehicles with Fuel Injection

- Throttle body
- Combustion chamber deposits

Note 1: When used as per the directions on the can Nulon Throttle Body and Carby Cleaner will not harm oxygen sensors or catalytic converters.

Note 2: If sprayed on car paint wash off immediately. This product will cause paint damage.
